

MANZAR HASSAN

Full Stack Web Developer

IT-18 Jharia, Dhanbad-828301 Jh | +91-8210385489 | manzarhassan05@gmail.com

CAREER SUMMARY:

I'm a Passionate full-stack developer with 6 months+ of hands on experience in developing scalable websites/applications using a wide range of frontend and backend skills. I had participate in 3 Hacakathons and I'm very happy with the result as well as the process of creating them, I learnt a lot. I've completed 4 projects and many small sub projects which includes technologies like HTML, CSS, JavaScript, React, MongoDB etc. Looking to further enhance both my frontend and backend skills as the further Full-stack developer.
